Treasury Department,

BUREAU OF THE MINT,

Washington, D. C., August 3, 1882.

A. London Snowden, Esq.,

Supt. U. S.

Philadelphia, Pa.

Sir:-

Acknowledging the receipt of your letter of the ^{12th} instant explaining a discrepancy in the deposits with the Assistant Treasurer, of the charges collected at your Mint during the month of May, I have to inform you that C/S. No. 5542, for \$710.⁴⁵ enclosed in your letter of June 5, has been forwarded to the Secretary of the Treasury, the amount to be carried

to the credit- of the appropriation for parting
 and refining bullion, ^{and} C/S. No. 5-5-43 for \$59.98
 for charges other than refining, enclosed in the
 same communication, has also been forwarded
 to the Secretary, the amount to be covered into the
 Treasury as a miscellaneous receipt; ^{and} personal
 credit- to be given you for both certificates in
 your bullion accounts.

In order that the amount covered to the
 credit- of the appropriation for parting ^{and}
 refining bullion, may agree with- the collections
 on such account, I have to request that in
 your statement of refinery earnings for the year
 you will report the earnings for the month of

May as \$710.⁴⁵- and reduce the report of the amount collected for other charges 2¢ -

I need hardly say that it is unfortunate that an error should be made in depositing money in the Treasury as it cannot be changed after it is deposited, except with considerable difficulty, and I trust that you will instruct your Cashier to compare the amounts to be deposited in the Treasury each month, with the footings of the abstract sheets, before making the deposits.

Very respectfully,

R. P. Weston

Acting Director.
